

178th WING ENVIRONMENTAL COMMITMENT STATEMENT

The 178th Wing is committed to continued excellence, leadership and stewardship while conducting our mission in an environmentally responsible manner that will protect human health, natural resources and the environment. We will strive to comply with all federal, state, local, Executive Orders, Department of Defense, Air Force and Air National Guard environmental laws and regulations applicable to our mission. We strive for continual improvement in our environmental performance. This commitment goes beyond compliance with the law and encompasses the integration of sound environmental practices into our daily decisions and activities. We have in the past, and will continue in the future, to pursue a course of responsible stewardship. In support of our environmental commitment statement, we will seek to:

- Promote the conservation and sustainable use of natural and manmade materials
- Minimize environmental pollution and waste
- Build environmental concerns into all policies, programs and missions
- Integrate environmental information into all levels of management
- Achieve continuous improvements in environmental performance over and above regulatory and legislative requirements
- Work in partnership with all stakeholders to promote waste reduction
- Set and review environmental goals, objectives, targets, measure progress and take corrective actions when necessary
- Communicate the results and other environmental information related to its operations and environmental accomplishments to all personnel, the community, suppliers, regulators, contractors and the public

Compliance with this environmental Commitment Statement is the responsibility of every member of the Springfield, Ohio Air National Guard community, in accordance with their roles and responsibilities in the organization.
